

Hello fellow hams,

You've probably seen the messages about the ARRL push for relief from antenna restrictions by Home Owners Associations (HOAs).

This is an EASY way for you to help fellow hams who live in HOA restricted housing to oppose those ham unfriendly restrictions.

Simply go to the site and enter your callsign, it should automatically fill out all your info on the form. Check to make sure your info is up to date before accepting/sending (SEND MY LETTERS). That's all there is to it.

You have my permission and are encouraged to forward this to fellow ham friends in the USA.

Remove sender's email address and preferably send Bcc.

Thanks from a fellow ham.
