CLASSIFIED POSTING INSTRUCTIONS

The Western Public Service System is starting a pilot program to give our members the opportunity to list ham equipment for sale to fellow members on our web site.

Those wanting to list a piece of equipment will provide a **short description**, contact **phone number and/or email**, and **asking price**.

The list will be updated on a **weekly** basis. Postings will be active for one month. Accordingly, postings older than one month will be deleted.

The administrator will have the right to limit the number of postings, if necessary.

Please keep descriptions short: prospective buyers can get additional details and specs from the seller's contact information.

Submit items by email for posting to Dave (wa6kel) at davewa6kel@gmail.com.
